Estimate: £50 - £100 + Fees

DIAMOND AND GEM SET RING set with a round white gem 9mm diameter, within a halo of round brilliant cut diamonds, the diamonds totalling approximately 0.50 carats, the shank marked PT, size J 1/2, 10g

In heavily worn condition. Shank is decorated however this has rubbed and now looks like it is badly nicked all over. Tape has been put around the shank. All stones intact. Diamonds are of a good white colour with slight typical inclusions. Larger diamonds approximately 2mm.
