### Lot 1085

**Estimate:** £60 - £90 + Fees

#### **A PAIR OF SITZENDORF PORCELAIN CANDELABRA**

PAIR OF SITZENDORF PORCELAIN CANDELABRA, each central column modelled with a mother and child, with additional three branch sconce, on flower encrusted convex quadripartite bases, blue impressed and crossed mark 47cm high overall

#### **Condition Report**

Both bases good to fair, with wear throughout including gilt rub, and chips to one or two petals. The first three branch attachment in a similar condition. The second has been damaged to one branch, with the piece present for restoration, also with damages to some of the sconces. All in need of a clean.

Approximately 24cm at widest. Base 16cm x 16cm
