A LOT OF CHINESE FAMILLE ROSE VASES

LATE 19TH/EARLY 20TH CENTURY CHINESE FAMILLE ROSE LIDDED VASE,

Painted with panels of figures in exterior settings, 33cm high, also with birds, butterflies and flowers, along with another famille rose vase with matched lid, a small lidded vase and another vase (4)

Condition Report

The small lidded vase lid is chipped to underside, enamel losses and gilt rubbing. The body of this vase is in good condition.

The tallest lidded vase lid has a few tiny chips to the rim and rubbing to the gilt finial. The body of the vase has several small chips around the lower rim.

The other vase with matched lid - the lid is chipped to underside of rim and an area of loss. The body of the vase has several small chips to underside of lower rim.

The fourth vase has a chip to underside of upper rim, and the two original handles are off and not present.
