A 20TH CENTURY FAÇON-DE-VENICE GOBLET

20TH CENTURY FAÇON-DE-VENICE GOBLET, the cup bowl with interior pontil scar and a lower trailed lattice band, over an ovoid stem and spreading circular foot, 21cm high

Condition Report

Condition generally good, with no damages. There is a pontil scar to the interior of the bowl, though this is from the manufacturing process. Light wear as per age.
