GENTLEMAN'S TAG HEUER STAINLESS STEEL BI COLOUR CHRONOMETER QUARTZ AUTOMATIC WRIST WATCH the round gold coloured dial with applied luminous hour markers, date aperture at 3, outer seconds track, bi colour bezel to the 40mm case including crown, with 695.706K to the caseback, on a generic strap, lacking box and papers

Condition Report

In working condition at the present time. No damage to the glass. All hands and markers intact. Crown intact and in working condition with the hands and date changing as they should. The hour hand is marked to the circular section. Case in worn condition with general scratches and signs of wear to it. Strap heavily worn on the inside. Two deep scratches to the caseback. The condition of watches offered at auction varies widely due to factors including age, possible restoration, repair and general wear and tear. Condition reports relate to watches' condition at the time of inspection by McTear's specialists, McTear's cannot guarantee watches to function beyond that point. Watches are not tested in house for accuracy, duration or water tightness. Buyers should assume that all watches purchased will require regular servicing to be useable and reliable.
